## About Southwest Florida

Florida Gulf Coast University is situated on Florida’s beautiful southwest coast. It’s midway between the cities of Fort Myers and Naples, just minutes from the Gulf of Mexico and the Southwest Florida International Airport, with easy access to Interstate 75.

Its proximity to both Naples and Fort Myers affords the option of living in either city without being far from campus. Estero and

Bonita Springs are even closer. These communities all offer a wealth of choices when it comes to housing: from downtown living near trendy restaurants and shopping to maintenance-free condo complexes to lush golf communities, waterfront homes and charming historic neighborhoods.

Both Naples and Fort Myers have made the top 10 list of best places to live in the U.S. News & World Report annual surveys. The beaches are routinely cited among the most beautiful, particularly those on Sanibel Island in Lee County and Barefoot Beach in Collier County.

When it comes to affordability, real estate prices are on the rise , as they are everywhere. However, property taxes are comparatively low, homestead exemptions provide additional tax breaks to those claiming Florida residency, and there is no state income tax. The region also is blessed with an abundance of environmental treasures, cultural attractions and a bounty of golf courses, great restaurants, and shopping. These are just some of the benefits

of living in a place that millions choose to visit.

Nature is on full display at serene preserves such as Audubon's Corkscrew Swamp Sanctuary, Big Cypress National Preserve, Everglades National Park, Naples Botanical Garden and the Ten Thousand Islands National Wildlife Refuge. Animals such as endangered Florida panthers, loggerhead sea turtles, American alligators, river otters, roseate spoonbills, eagles and other wild creatures call these carefully maintained lands home.

There are performing arts centers in Naples and Fort Myers, dozens of art galleries, movie complexes and excellent places to dine — from innovative food trucks to top-tier restaurants run by James Beard Award nominees.

For sports lovers, the Grapefruit League brings the Boston Red Sox and the Minnesota Twins to town every spring. The Florida Everglades are a minor league ice hockey team based at the Hertz Arena just south of the university on Ben Hill Griffin Parkway. And for professional sports, Tampa is a mere 2½ hours away, with the Tampa Bay Buccaneers in the NFL, the Tampa Bay Lightning in the NHL, and the Tampa Bay Rays in the MLB. (The New York Yankees conduct spring training there as well.) The region, with its wealth of things to do and low crime rate, is a choice spot to raise a family or enjoy all of the attractions without ever having to leave.
