SAFETY & COMPLIANCE

Courses cover the critical topics you need to educate your staff on so they're better prepared to prevent a safety incident, or to respond should one occur. Our courses can help you comply with state and federal training mandates.

SCHOOL BUS SAFETY TRAINING FOR DRIVERS

We've partnered with the School Bus Safety Company, the #1 provider of school bus safety training. Proven to reduce accidents by nearly 50%, these courses include key practices that every bus driver should know to keep your students safe.

SPECIAL EDUCATION

Evidence-based courses for all educators who support students with exceptionalities, including special ed teachers, general ed teachers, paraeducators, and support staff, and principals. Prepare all educators to meet the needs of your diverse learners.

CHILD SEXUAL ABUSE PREVENTION

Twenty-two microlearning courses prepare school staff to recognize sexual grooming and how to interrupt an attempt at child sexual abuse before it happens. Reduce liability and costly claims, but most importantly protect your students from sexual abuse.

DIVERSITY & INCLUSION

Developed by DiversityEdu, now part of Vector Solutions, these courses for K-12 Teachers and Staff and High School Students are proven to increase inclusive language, attitudes, and behaviors and help prepare students and staff for successful engagement with diversity.

FACILITIES MAINTENANCE

These 3D animated courses help train your team on how to safely perform preventive maintenance tasks and corrective repairs at your district's facilities, without the expense and inconvenience of shutting down equipment.

STUDENT SAFETY & WELLNESS

Powerful, engaging courses for students cover the essential safety and wellness topics you need to educate students on to positively impact your school culture, and are perfect for primary prevention training or remediation.

Student Safety & Wellness Training

EQUIP STUDENTS WITH THE KNOWLEDGE THEY NEED

Powerful, engaging courses cover the essential safety and wellness topics you need to educate your students on to positively impact school culture, and are perfect for primary prevention training or remediation.

- **Engaging and Age-Appropriate** – Courses feature diverse peer presenters, so all students can more easily connect with each lesson. *Customized courses for grades 6-8 and grades 9-12.*
- **Modular Course Design** – Each course includes a full version, as well as standalone modules (5-10 minutes), so you can use the content in the way that best meets your needs.
- **Variety of Uses** – Assign to individual students, use in a facilitated group setting, or add our courses to your existing LMS.
- **Helpful Ancillary Materials** – Lesson plans, discussion questions, activities, and assessments are included with each course module.

With flexible subscription options and multi-product discounts, you can customize your online training program to meet your district's specific needs.

STUDENT COURSE LIBRARY

Peer presenters, illustrations, animations, and live-acted scenarios help students connect with what they're learning.
